Stanford University at Coursera - Dr. Kristin Sainani, Associate Professor at Stanford University - Health Research and Policy

**Writing in the Sciences
Certificate of Attendance**

April 2020 - June 2020
ESRI Training – esri.com/training

**Cartography
Certificate of Attendance at the Massive Open Online Course**

February 2020 - April 2020
ESRI Training – esri.com/training

**Spatial Data Science: The New Frontier in Analytics
Certificate of Attendance at the Massive Open Online Course**

June 2009
International Centre for Advanced Mediterranean Agronomic Studies (CIHEAM) - Mediterranean Agronomic Institute of Zaragoza (IAMZ) – Food and Agriculture Organization of the United Nations (FAO), Spain
Use of Geographic Information Systems for Fisheries and Aquaculture Planning and Management.

Advanced Seminar

2004 – 2007
University of Messina (Italy)

Study of the distribution of juvenile forms of demersal species in the Mediterranean using Geographic Information Systems.

Doctorate in Environmental Science: marine environment and resources.

1998 - 2003
University of Messina (Italy)

Experimental degree thesis aimed at studying the macroinfauna community of the infralittoral-sublittoral (submerged zone)

Graduate in biology

Personal skills and competences

- Mother tongue
- Other languages
- Scientific skills and competences

ITALIAN

ENGLISH, FRENCH

- Research interests (5 Key words): Environmental and marine biology, Biogeography, Biodiversity, Demersal species, Fisheries.
- Author of more than 30 publication (ISI 13) on Scientific Journals.
- Organization and Communication at national and international congresses.
- Lecturer in two different advanced training courses (Masters of I level and Higher Technical training course for school-leavers) since 2007.

Publication indexes (Scopus)

- NUMBER OF PUBLICATIONS: 34 (13 ISI)
- TOTAL NUMBER OF CITATIONS: 174
- H-INDEX: 7
